

To whom it may concern,

July 1, 2008

It is my pleasure to recommend Will Havill for any consideration regarding educational opportunities or practices. Will was an active participant in the education class, HEV307 Human Growth and Development- Parent Child Relations, which I teach for CMU. He has a wealth of life experiences that give him a mature vantage point from which to think and interact. His input during class was sincere, thoughtful and thought provoking. Will demonstrated a willingness to challenge himself to learn beyond the scope of the text and to apply his personal understanding of educational scenarios and situations to our classroom discussions and projects. He has a great attitude toward the profession of education and will develop into a wonderful teacher. If I can provide more information, please feel free to contact me.

Sincerely,
